

Check Your Building

- Is there some kind of control over who enters and leaves the building?
- Are walkways, entrances, parking areas, elevators, hallways, stairway, laundry rooms, and storage areas well-lighted, 24 hours a day?
- Are fire stairs locked from the stair well side above the ground floor, so you can exit but no one can enter?
- Are mailboxes in a well traveled, well-lighted area and do they have good locks?
- Are things well-maintained –are burn out light fixed properly, shrubs trimmed, trash and snow removed?

Check Out Your Apartment

Does Your—

- Entry door have a deadbolt and a peephole?
- Sliding Door have a wooden rod in the tracks so it can't be opened and pins in the overhead frame so it can't be lifted out?
- Landlord Or building manager tightly control all the keys?

For extra Security, leave a radio playing or a light on while you are gone. Always tell you neighbors, or building manager when leave for a business trip or vacation.

Check Out Your Neighbors

Get to know you Neighbors, Join or Organize an Apartment Watch group so neighbors can look out for and help each other.

If you live in a large building complex, think about a tenant patrol that watches for crime around the building, provides escort services for elderly and handicapped , and monitors comings and goings from the lobby..

Work with Landlords to sponsor social events for tenants a Sunday breakfast, a picnic, a Halloween party .

Look beyond the problems to the root of the cause. Like does your building need a better playground, a social evening for teens, a tenant association , new landscaping , a basketball hoop? Work with the landlord for changes that make everyone proud of where they live. Make a safe community is a good quality of life all to enjoy.
