Help Make a Difference

The Indio Police Department Cadet Post 150 is a program aimed towards youth between the ages of 14 to 18 is coed and associated with Boy Scouts of America.. The Police Cadet program is a volunteer based program which can be very rewarding.

The Cadets provide assistance to the police department by helping with traffic control, crime prevention programs, public relations, station duty, records, special events, police dispatch, cadet honor guard and ride-alongs with officers.

Learn Life Skills

In the cadet program, youths are educated in the criminal justice system procedures and are able to explore the many branches of law enforcement.

The Police Cadets are exposed to various careers in the community, as well as help advance the knowledge of law enforcement in the community.

Community Policing

As an Indio Police Cadet, everything is provided for you. You have the ability to ride along with Police Officers, participate in various programs. The opportunities and experience will later be an asset in your future career goals.
